Dear Parents,

This week the children have been learning through the theme of families and the story of Five Minutes Peace. We have been learning about how people have different families and have really enjoyed looking at the pictures of each other's families! The children have enjoyed carrying out a range of different activities including: sorting the family members and counting them; size ordering people; making breakfast for Mrs Large with the playdough; exploring the jungle tuff tray and drawing pictures of our family. We also used the sand timer to explore what 1 minute feels like including turning out voices off, clapping and jumping.

Our shape of the week this week has been triangle. The children have been busy sorting shapes and making pictures with shapes. If your child finds any triangle objects, or if they spot any triangles in the environment that you would like to take photos of, or maybe if they would like to carry out a triangle-themed craft, then we would love to display these on our shape board!

Next week we will be learning through the theme of Homes. Our story will be The Three Little Pigs.

A big thank you for the donations of towels and old cards. The children have really enjoyed cutting them up, so if you ever have any more to donate we would be very grateful.

From next week the nursery newsletter will be available on the school website. It will be under "Curriculum" and then "Nursery." Paper copies can be made available on request.

I hope you have a lovely weekend.

Many Thanks,

Miss Griffiths.
