

11.10.19

Dear Parents,

This week the children have been learning through the theme of Homes and the story of The Three Little Pigs. We have been learning about how there are lots of different types of homes and have spoken about the type of home we live in! The children have enjoyed carrying out a range of different activities including: finding and counting the pigs; making shape houses; retelling the story in the small world tray; sequencing the story using picture cards; washing the muddy farm animals; making houses with the playdough; building houses with weetabix (bricks) and porridge (cement) and drawing pictures of houses! As you can see we have been very busy!

Our shape of the week this week has been rectangle. We would love to receive any shape pictures or crafts from the children to put on our shapes display.

Next week we will be learning through the story of The Smeds and The Smoos. This is a new story by Julia Donaldson and teaches us that although we are all different we are all friends.

Today the children are coming home with an All About Me bag. This bag can be brought into Nursery over the next couple of weeks for the children to talk about before half term.

I hope you have a lovely weekend.

Many Thanks,

Miss Griffiths.
