Dear Parents,

I hope that you have had a good week. This week would be half term so there is no new sound or specific set learning challenges. I know that children have some days that they are more eager to learn than others, so if you do find that your child is wanting to access some learning challenges during the half term week please see previous newsletters and consolidate what they have been learning over the past few weeks.

Frog Update: Please visit <https://stnicholas-closure.weebly.com/nursery.html> and look under the weekly newsletters section to see a video of the Frogs enjoying some fruit flies!

Butterfly Update: Mrs Hughes and Evelyn had great success with the Butterflies! They all hatched and have now been released.

Have a good week and take care.

Miss Griffiths.
