

Maths:

This term we will be looking at a variety of math skills, including learning our multiplications. These will be tested in different ways, using both simple questions and worded problems to stretch pupil learning.

PE:

We will be playing cricket for part of the term and then studying a variety of sport skills in preparation for our school sports day that will be coming up soon.

Literacy:

We will be looking at a variety of texts, including traditional tales such as Rumpelstiltskin. There will be a strong emphasis on presentation of work as well as trying to consistently use the literary techniques we have learnt in the majority of our writing. This includes using time connectives, conjunctions and adjectives.

RE:

In RE we will be looking at two core principles. How Christians can communicate with God and how we can make a difference to the world.

Computing:

We will continue to use Purple Mash to facilitate our learning of Computing. This will include looking at animated stories and spreadsheets.

Science:

This term we will be focusing on plants in our science lessons. This will include us focussing on plant structure and how some trees differ from one another. We will also be looking at the season Summer itself and what effect that has on our natural surroundings.

Year 1: Summer Term Famous For Five

PSHE:

We will be discussing feelings and relationships and how these are important when it comes to falling out and reconciling with our friends.

Topic:

Our topic, Famous For Five, will focus on learning about a variety of famous people and how their accomplishments have had an effect on our world. This will range from looking at sports people to looking at scientists.
