

Choose and complete one Home Learning Project from the grid above every two weeks

<p style="text-align: center;">Maths</p> <p style="text-align: center;">Can you compare and order numbers?</p> <p>You need some space at home or outside to move around and collect cards. Make a set of 0-9 number cards and scatter them around the room face down. Move quickly on all fours to collect two digit cards, e.g. 3 and 7 Make them into two 2-digit numbers (37 and 73 in this example) Write down the correct number sentences for the two numbers, using < and > (e.g. 37 < 73, and 73 > 37) Collect two more cards and repeat. Continue until all 10 cards have been used.</p> <p><u>Don't forget that MyMaths homework will still be set weekly.</u></p>	<p style="text-align: center;">English</p> <p style="text-align: center;">How did Kangaroo get his tail?</p> <p>Read the story of how the Kangaroo got his tail. Then re-write the story, you can use the pictures to help you sequence the story and write about it.</p>	<p style="text-align: center;">English reading</p> <p style="text-align: center;">How many wings do dragonflies have?</p> <p>Read the information about mini beasts and answer the given questions.</p>	<p style="text-align: center;">RE</p> <p style="text-align: center;">Who made the world?</p> <p>Write a prayer about our beautiful World that God created showing thankfulness for all the things God created.</p> <p>We will include these on our class prayer book.</p>
