

# Welcome to Year 3!

Mr. Piggott and Miss Abbiss lead the teaching and learning across the two classes in Year 3, supported by Mrs Lowe, Mr Mills and Miss Hopkins. As the children transition into Key Stage 2, we encourage them to become more independent and take more responsibility for their learning.

Together, we plan carefully to ensure that there is a broad and balanced curriculum with lots of exciting and enriching activities consistently across the year group. Find out what we are learning this term by reading our Topic Webs below.

Children should have a full PE kit in school all week. In 3P, children will have Outdoor PE every Tuesday and Indoor PE every Thursday. In 3A, children will have Indoor PE every Tuesday and Outdoor PE every Wednesday.

Each week, please encourage your child(ren) to read and ask questions about the text to check their understanding. Children will also need to practise spellings in preparation for the weekly spelling lesson each Friday. We will also be assessing Multiplication Tables through *The 99 Club* each week so please encourage children to practice their Multiplication Tables to quicken their recall.

If you have any questions about any area of the curriculum, please see Mr. Piggott or Miss Abbiss or the relevant subject leader.

## **Ways you can help at home**

**Read** little and often each day, asking questions about the text.

Practise 2, 5, and 10 **times tables** from Year 2 and 3, 4 and 8 times tables as they are introduced in Year 3.

Encourage your child to complete their **Home Learning Projects** and hand them in on time.

Encourage your child to be independent and sort equipment, including **Spelling and Reading books**, for school themselves.

Remind children to have a **full PE kit** in school all week.
