

## Kingswood Refund

We still do not have a refund of the Kingswood costs as the date of the visit has not yet been reached. The provider do have it all in hand and have assured us they will be in touch soon. In the event of a parent contacting us to say that they are in financial need, we may have been able to support an earlier refund to try and support them through this difficult time. Please be assured as soon as we have the refund back to school we will process and refund to parents universally. We will of course notify you of this in advance, so that you can look out for it. I am sure you will appreciate this is a national issue and we are reliant on following the procedures set out by insurance companies and third party providers.
